### **A warm baking experience for children by OCBC Wing Hang Bank at Christmas**

Our Kwun Tong Happy Teens Club and OCBC Wing Hang Bank jointly organised “Experimental baking for kids at Xmas” on Christmas Eve when 21 children became little bakers to make Christmas log cakes for their families. With love, care and patience, volunteers encouraged the children to bake their unique “log” using their creativity to bring surprises to their families.

If you would like to bring warmth for children in Kwun Tong district, please contact our social worker at 2342 6156.
