4.16 Territory-wide flag day Thanks to you for a fruitful return

Thanks to the tremendous support from all concerned people, our flag day was successfully held on 16 April.

Our flag day has voluntary support from all sectors of the community namely, the elders, youth, students, child-parent groups, ethnic minorities, partner organisations and little angel of hope. They set off on a clear day early in the morning. Volunteers stationed in different parts of Hong Kong and MTR stations. Donations of this flag day will be used for the re development of Kwun Tong social service building for the non subvented services for children, youth, elders and families.

We would like to convey our deepest thanks once again. Your responses and prayers add more drive to our work, we hope to have your continued support for the needy in our community.
