### **Bling Bling Crystal Bus Tour**

On a gloomy afternoon in April, 30 elders of our Fortune Neighbourhood Elderly Centre together with 10 volunteers of the Sunbright Dance Troupe Limited took the Crystal Bus tour. During the two and a half hour trip, they appreciated the view outside while enjoying dim sum inside. Despite frequent drizzle outside, there were happy faces inside.

Some elders who never step out of the district were excited as it widened their horizon and they thanked Sunbright for offering the opportunity for them to go out together. We could encourage more elders to join the community if we are more thoughtful in planning our activities. We welcome volunteers to join or sponsor our activities to gain new experiences with our service recipients together.
