Sharing Zongzi Sharing Love

To celebrate Tuen Ng Festival, our volunteers from the business sector prepared zongzi (rice dumplings) for the elderlies and brought along their love, warmth and blessings.

Volunteers from Goodwill Management Limited, Merck Pharmaceutical (Hong Kong) Ltd and Cathay Pacific Services Ltd visited the service users of our Shun Lee Home for the Elderly and Shamshuipo Integrated Home Care Service Team respectively on 27 May 2017. They spent a happy time together playing games, singing classic songs, doing stretching exercises and sharing life experience.
