

Family Aid Service

Through short-term and systematic home and group trainings, the family aid worker coaches individuals about **child care**, **cooking** and **housework skills** in order to strengthen caring skills for self and family members.

Pregnancy Care

Making nutritious food
(for all ages)

Child safety at home

Target Group

Casework service users
who live in our service boundary

**Free
of
charge**

Application

1. For current casework service users, please contact your responsible social worker.
For other individuals, please contact the on-duty social worker at 2731 6227.
2. Referrals from external organizations are welcome.

Service Withdrawals

1. When the training completed, the service would be terminated.
2. Service users could request service withdrawal.
